For the river runners out there who still crave some freestyle love, we've got your back. Our river running playboats get you down river in one piece while allowing you to surf the playspots. Expect the forgiveness of a river runner and the high-performance loose hull of a freestyle boat. If you're a river runner who sprints to surf every wave and hole along the way, you've come to the right

design and performance, dial-in and experience explosive pop, easy releases, and

smooth, crisp control of any wave. Sizing options and volume displacement are fine-

tuned for the most comfortable performance imaginable. Start living the lifestyle in the

next generation of Wave Sport's long line of championship-worthy freestyle kayaks.

A TO B. AND EVERYTHING BETWEEK. There's a situation – we'll deal with it. HALF BIG WATER, HALF TECHKICAL, ALL

They've called it the 4x4 of kayaks. Runs rapids like a fast creekboat with a hull that will also spin on green waves. It is, indeed, all that and more. Peaked deck for resurfacing - check. A honed combination of planing hull and continuous rocker for ultimate agility - check. Outfitting that will let Sasquatch fit in a kayak – big, hairy – check. Meet the SUV of river running.

RECON Reconnaissance is the military term for exploring beyond the area occupied by friendly

forces. While the creeks may call out to us, the forces of the river don't always welcome our exploration. Performing at the highest levels of creeking and class IV-V+ boating, the Recon handles creeks and rivers efficiently, confidently and safely, with boofability worthy of a new term. Helping boaters make limit pushing a way of life since 2012 - the

CORE WHITEOUT OUTFITTING

The ALL-NEW 2013 Core Whiteout Outfitting combines our stylish, marine vinyl white pads with the most innovative outfitting technology today. Focused on safety, enhanced performance, unparalleled adjustability and comfort, our new outfitting will set an industry standard of excellence with an all-new bulkhead system, leg lifters, very convenient adjustment points, and more.

FEATURES INCLUDE:

- Reinforced bulkhead foot brace system with reinforced rails and expanding toe cup that prevents feet from pushing past the bulkhead - Ratcheting leg lifter provides 3" in elevation for added storage space and adjustability that allows more efficient energy transfer from the paddler to

the kayak - All adjustment parts are tethered to prevent loss

- Re-engineered back band provides greater functionality and easier access to storage space behind the seat

- Comfortable cockpit padding - Quick-release, adjustable hip pads

 Metric hardware for global compatibility Multiple attachment points and security tethers for securing gear Foot and seat booster padding included for customization

ADDITIONAL CREEK FEATURES

- Intuitive controls allow 3" of fore and aft seat adjustment - Rotomolded tank style creek seat is stiff and durable - Step-out wall includes easy-grip handle for easy carrying and efficiency in the step-out motion - Storage tray adds storage capacity and hull structure

Specifications and features are subject to change. Colors may vary slightly from those shown in catalog. Color combinations (Citrus, Ice, Hornet, Cherry Bomb) will vary from those shown in catalog and are unique for each boat we roduce. Variations in color are not not covered by warranty.

ADDITIONAL PLAY FEATURES

- Intuitive controls allow 4" of fore and aft seat adjustment - Quick-reference indexing system allows on-the-fly adjustment - Hull beam is welded to the kayak hull for durability and structural support
